• WINEMAKER'S NOTES

- For decades the Perricone, or the so-called pignatello, had been the undisputed leader of the red grapes in western Sicily. A careful vinification has transformed the prickly character into a incomparable personality: a one of a kind wine. Rich with red fruits, mixed with notes of liquorice, a typical expression of the relationship between the variety and its land. Wine of great power and harmony while expressing, at the same time, a fresh and lively character.

• FOOD MATCHING

- Charcuterie and other salty antipasti, eggplant parmigiana, veggie pies and cheeses

• TECHNICAL DATA

- Alcohol 13,5% vol.

Wijn 5

- Naam: Orpheus Etna Rosso
- Jaar: 2011
- Appellatie: DOC
- Producent: Scilia
- Samenstelling Druiven: 80% Nero Mascalese 20% Nerello Mantellato
- % Alcohol : 14

Orphéus Etna Rosso (5)

Afkomst: Deze Etna Rosso komt van wijngaarden in Linguaglossa, een dorpje op een hoogte van 650 m op noord-oostelijke flanken van de Etna. De familie Scilio maakt al sinds 1815 wijn op deze wondermooie plaats typische wijnen van de Etna met respect voor traditie maar zonder vernieuwing en modernisering over het hoofd te zien.

Ze bewerken hun 28 ha volledig biologisch, houden de rendementen zeer laag en bekomen dus typische Etna Bianco & Etna Rosso, waarin je duidelijk de vulkanische bodems van de Etna herkent maar wel met een zeer modern elegant accent.

Druif: 80 % Nerello Mascalese & 20 % Nerello Mantellato afkomstig van oude wijngaarden (gemiddeld 45j oud) met vulkanische ondergrond.

Wijnbereiding: Na een lange maceratie , volgt een klassieke fermentatie op inox en een verfijning in barriques gedurende 1 jaar..

Kleur, neus en smaak:

Een warme en complexe neus met veel zwart fruit, bessen en kruidige toetsen. Je zal ook zeker de gebrande toetsen van koffie, tabak en ceder herkennen. In de mond is het een krachtige, maar toch toegankelijke wijn met elegante zuren, rijpe tannines en een aangenaam bitterje in de finale.

Schenken bij: gegrild of gebraden vlees, paddestoelen, wild en beleggen kazen..

AGEING
4 months in stainless steel tanks.

WINEMAKER'S NOTES
Inzolia, which is characterized by intense and elegant fragrances, is a result of an ancient equilibrium between the strong and generous soil and the vine that seems to never suffice. Clean and graceful. Its intense bouquet expresses soft refinement and grace. The taste is fruity, crisp and soft. In one's mouth it is persistent and intense.

30% in barrique of 225 litres for 4 months. The rest in stainless steel tanks for 8 months.

WINEMAKER'S NOTES
Only one third of the wine is aged in barrique for 4 months, just the needed time to build some structure without compromising the freshness. The wine strikes with its density and its royal ruby color. In one's nose is rich of scents, deep and pure. Mature red fruits merged with herbs and ripe cherry. Expresses excellent varietal character, featuring smooth, velvety tannins and incredibly harmonious balance.
